Beating time.	<sup>m</sup> तालः(कालक्रियामानं)
Equal time in music and dance.	<sup>m</sup> लयः (साम्यं)

1 Or any thing with which a musical instrument is struck. 2 A wooden vessel covered with leather, placed under the neck to render the sound deeper; or a crooked piece of wood at the extremity of the lute. 3 Complete, excepting the wires; including, therefore, the gourd, neck, and belly. 4 Or lower part of the tail-piece where the wires are fixed. 5 Of divers sorts; severally mentioned in the text: besides others, as गोमुखः, ऊडुकः, &c. See descriptions in various dictionaries. 6 Also पणवः. 7 So, नर्तकः, or लासकः, a male dancer. 8 Severally stated, in their order.
