पुराणो प्रतनं प्रत्न पुरातन चिरंतनाः

1 Some make these synonymous with the preceding. 2 As the soul, the ethereal expanse, &c. 3 Some interpret the three first terms, tremulous; and the seven last tembling: others, the three first moving, and the seven last quaking. 4 Also चपलं and चटलं. 5 Some apply this to a man whose limbs are strongly knit; others to any thing, which has no intersices. 6 Also खकलटं. 7 Or कठालं. 8 Fem. जठरा. Also जरठः, -ठा, -ठं. 9 Some join these with the preceding synonyma. 10 Fem. पुराणा, -णी. चर
